AMA Member Code of Ethics

This Code of Ethics (COE) is intended to guide members of the American Maltese Association (AMA) as protectors, breeders and representatives of our Maltese and in dealing with each other and with the public. It is our expectation that AMA members will comply with this Code of Ethics willingly and with pride because of their love for our breed. The American Maltese Association recognizes that it is impossible to police our membership in adhering completely to our Code of Ethics, however, blatant disregard of this Code may be addressed by disciplinary action.

1. As a member of the American Maltese Association, I will breed to the ideals of the Maltese standard and will act in accordance to the objectives and purposes of the AMA. I will abide by and uphold the principles of the Club's Constitution, By-laws, this Code of Ethics and the American Kennel Club (AKC) Code of Sportsmanship and will consider the best interest of the breed when engaged in any activities involving Maltese. I will not knowingly cross breed or advertise for sale puppies/dogs that have been crossbred, such as designer dogs, or any dogs from any registry not sanctioned by AKC. I agree to support legislative efforts that will ensure the continuation of a purebred dog registry.
2. I will keep alert for and endeavor to control or eradicate inherited problems that are particular to my breed. I will strive to screen my breeding stock for hereditary problems using the current available and generally accepted techniques.
3. If any of my Maltese need to be euthanized, it will be done in a humane manner by a veterinarian. It will not be done at a dog pound, humane society or experimental lab, nor will they be left alive at any of these facilities.

6. I will keep accurate breeding and stud records as required by AKC.
7. My puppies will receive quality health care and nutrition. They will be handled regularly, properly socialized and accustomed to human contact.

8. I will not sell a puppy before it has been given a veterinarian health examination and has received any vaccines as guided by my veterinarian. A puppy will remain in my possession until at least 12 weeks of age. I will refer potential puppy purchasers to other reputable breeders and be helpful and courteous to those who request information about the breed.
9. I will provide pet buyers with written, audio visual and/or other media details on feeding, general care and nutrition and a health record with data on veterinary attention.
10. I will provide limited registration on puppies sold as pets or have signed spay-neuter agreements.
